

Yelm Avenue West Local Improvement District update for Feb. 6, 2008

Construction schedule

Yelm Avenue West road work continues.

Survey stakes, silt fencing and other markers are being installed along the south side from 93rd Avenue to Cullens Road.

Beginning early Sunday, Feb. 10, drivers can expect delays on State Highway 510, west of the Killion Road/Tahoma Blvd. traffic light. Weather permitting; crews will be preparing the south side right-of-way for utility installation.

Killion Road construction continues to the north of Yelm Avenue. Lane closures and shifts will continue for the next several weeks until utility work is complete.

Regular updates may be heard on the Yelm Ave. Project Info Line at 360-458-8428.

Questions, comments or concerns relating to any portion of this project, may be directed to: Cindy Teixeira, Community and Government Relations Coordinator, 360-458-8436, cindyteixeira@ci.yelm.wa.us
