### **INFRACTION DEFERRAL AND DISMISSAL OPTION**

A deferred finding is an opportunity for a person to have their traffic infraction dismissed. If the court grants a deferral, persons must meet all of the conditions of the deferral for the infraction to be dismissed. You may have a deferral for one moving and one non-moving infraction only once every 7 years anywhere in the state. You are **NOT** eligible for a deferral if: (1) your ticket is for one of the three offenses listed above; (2) your ticket is a result of an accident; (3) your ticket is for No Proof of Financial Responsibility – RCW 46.30.020; or (4) if you have a CDL license.

### **CONDITIONS OF DEFERRAL:**

1. The period of deferral is for 4 months. You cannot commit another infraction within this deferral period.
2. You must pay administrative costs in the amount of the fine assessed on the face of your citation before the end of the deferral period.
3. You must attend traffic school if your deferral is for a moving violation and pay any fees associated with the attendance of the class.

If you fail to comply with **any** of the conditions of your deferral, the deferral will be revoked and a finding of committed will automatically be entered. You must pay the balance of any fine remaining on the case. Failure to pay the remaining fine may result in the suspension of your driver's license and/or your privilege to drive. Furthermore, your unpaid fines will be referred to a collection agency.

I certify under penalty of perjury under the laws of the State of Washington that I have read the foregoing and agree with all the conditions set forth above and that I accept a deferral of infraction under said conditions.
