

A (South) A' (North)

Qvr: aquifer, Vashon recessional outwash;  
 Qvm: aquifer, end moraine of the Vashon recessional outwash;  
 Qvt: aquitard, Vashon till;  
 Qva: aquifer, Vashon advance outwash;  
 Qf: aquitard, Kitsap Formation  
 Qc: aquifer, Salmon Springs Drift/ penultimate glacial deposits;  
 TQu: aquifer and aquitard deposits;  
 Tb: bedrock.

NOTE: Stratigraphic contacts inferred and approximate. Based on available lithologic logs, Drost et. al (1999), DGER (2001), interpolation algorithm from Rockworks (2006), and field observations of open excavations in Tahoma Terra area.
