Re: SPR-05-0091-YL

Dear Mr. Beach:

The Yelm Community Development Department has determined that your site plan review application on behalf of Wal-Mart Stores, Inc. (SPR-05-0091-YL) is complete as of the submission of the building elevations on March 24, 2005.

In order to continue to process the application, however, the final traffic impact analysis must be submitted. Once this final report is received by the City, notice of application will be circulated and the environmental review process will begin.

If you have any questions regarding this determination, please contact the Department at 360.458.3538 or by stopping by City Hall during normal business hours.

Sincerely,

Grant Beck, Director
Department of Community Development
