

CITY OF YELM
RESOLUTION NUMBER 514
ADOPTING THE 2008 TO 2015 WATER SYSTEM PLAN

WHEREAS, Section 246-290-100 Washington Administrative Code requires community public water systems with one thousand or more services to submit a water system plan for review and approval by the Washington State Department of Health; and

WHEREAS, the City of Yelm's Water System exceeds the threshold for the submission of a water system plan; and

WHEREAS, the City had previously adopted a water system plan which had been approved by the Department of Health in 2002; and

WHEREAS, the City began the development of an updated Water System Plan in the spring of 2008 and held three open houses to solicit public feedback on the analysis of the City's water system as well as the system's capital needs; and

WHEREAS, the City submitted the updated Water System Plan for approval by the Department of Health in June of 2009; and

WHEREAS, the Department of Health conducted a formal public comment period for the draft water system plan in late 2009; and

WHEREAS, the City addressed all comments received prior to and during the comment period; and

WHEREAS, the City resubmitted the updated Water System Plan to the Department of Health for final review; and

WHEREAS, the updated Water System Plan identifies the infrastructure improvements needed to provide a safe, efficient, and abundant water supply for existing water system customers and new customers expected within the planning horizon; and

WHEREAS, the updated Water System Plan is consistent with the requirements for water system planning found at Chapter 246-290 WAC, the Consolidated Water System Plan for South Thurston County, and the City of Yelm Comprehensive Plan and Joint Plan with Thurston County;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Yelm that the 2008 to 2015 Water System Plan is hereby adopted.

APPROVED this 27th day July, 2010.

Ron Harding, Mayor
