Application for Dog License - Free

Your lost dog is a phone call away when they wear their registration tag.

Applications and license tags can be obtained at City Hall, Monday through Friday, 8:00 am to 5:00 pm or by printing the application from our website at www.ci.yelm.wa.us. Dog owners completing an application and returning it to City Hall will be issued a license tag. If you prefer to mail in your application, a tag can be mailed to you.

The City of Yelm requires all dogs to be registered annually and have current rabies inoculations. Dogs are required to wear the rabies tag (Yelm Municipal Code – Chapter 6.12) and furnish proof to a Yelm Animal Control Officer, if requested. Current rabies tags are issued by a veterinarian
