Yelm, Washington 98597

NEWS RELEASE

Pavement Striping and Marker Replacement taking place on Friday, August 11, 2017

Thurston County Public Works crews, working on behalf of the City, will be performing striping and pavement marker replacement at various locations throughout the City on *Friday, August 11, 2017, from 7:30am to 4:30pm*. The areas where the striping will be completed include the Southeast and Southwest quadrants of the City, (i.e. Neighborhood Collectors and Arterial Streets South of Yelm Avenue). Motorists are advised to use caution when traveling through this area as road paint will be wet after application. This is a mobile operation, so flaggers will not be utilized. Thurston County crews will also be replacing worn Thermoplastic Markings (vehicle stop bars, cross walks, etc.) at various intersections throughout the City. Flaggers will be utilized to assist motorists through the work zones for this portion of the project.

The affected striping areas south of Yelm Ave are:

<u>SOUTHEAST</u>	<u>SOUTHWEST</u>
Mill Road	Mosman Avenue
Mosman Avenue	Solberg Street
2 nd Street	Longmire Street
3 rd Street	Tahoma Blvd
105 th Way	Berry Valley Road
Clark Road	93 rd Avenue
Vancil Road	
Bald Hills Road	

We appreciate your patience during the construction.
